THIS SEASON IS SACRED

AFFIRMATIONS FOR BECOMING
WHO GOD ALREADY SEES

CHAZ TERRY

30 honest, faith-filled affirmations for new adults and growing believers navigating change, uncertainty, and becoming who God already sees.

You don't need to be fully healed or perfectly certain to be in a sacred season. Through 30 chapters of bold, honest affirmations, *This Season Is Sacred* meets new adults and growing believers in the in-between — a reminder that small steps, soft prayers, and slow progress are still holy, and that God is still in this season.
